# CCM ELECTIVES

## electives

### MSOM: 6 Credits Required

MSOM students are able to take any of the DSOM-specific courses as electives as long as they have met the prerequisites. At least half of the 6 required elective credits for the MSOM degree must be taken from CCM electives, whether DSOM courses, or from the electives listed below. In addition, students may take electives from the ND and SGS programs, provided that prerequisites are met and the course is approved by the dean of the College of Classical Chinese Medicine.

### DSOM: 10 Credits Required

At least half of the 10 required elective credits for the DSOM degree must be taken from CCM electives listed below. In addition, students may take electives from the ND and SGS programs, provided that prerequisites are met and the course is approved by the dean of the College of Classical Chinese Medicine.

*NOTE: Elective courses (including those required for certificate programs) may not be offered every year. All elective courses are scheduled based on faculty availability and adequate student enrollment.*
