# CCM ELECTIVES

## electives

**MSOM:** 6 Credits Required

**DSOM:** 10 Credits Required

MSOM and DSOM students may take any CCM electives listed below. In addition, students may take elective courses through the College of Naturopathic Medicine and the School of Graduate Studies. Some core course credits may also be eligible for transfer among NUNM graduate programs to satisfy elective requirements; this is dependent upon approval from the two program deans. In all cases, students must satisfy course prerequisites.

MSOM students are also able to take any of the DSOM-specific courses as electives as long as they have met the prerequisites.

*NOTE: Elective courses (including those required for certificate programs) may not be offered every year. All elective courses are scheduled based on faculty availability and sufficient student enrollment.*
