

MScGH ELECTIVES 12 Credits Required

electives

Global health students may take any MScGH elective courses listed below. In addition, students may take elective courses through the School of Graduate Studies, College of Naturopathic Medicine, and College of Classical Chinese Medicine. Some core courses may also be eligible for transfer among NUNM graduate programs to satisfy elective requirements; this is dependent upon approval from the two program deans. In all cases, students must satisfy course prerequisites.

NOTE: Elective courses may not be offered every year. All elective courses are scheduled based on faculty availability and sufficient student enrollment.
