

Bachelor of Science in

Nutrition

or

Integrative

Health Sciences

- Rigorous science education blended with an integrative, holistic approach to health and wellness
- Capstone project tailored to your interests

Develop a strong background in nutrition or integrative health sciences. Take traditional pre-med classes that provide the scientific foundation for an understanding of the human body and the basic principles of health and disease.

Why NUNM?

- The largest research facility of any naturopathic school
- Respected faculty of NDs, MDs, DOs, DCs and PhDs
- Wide range of career options
- Portland, Oregon—the home of natural medicine

Our integrated curriculum features three core themes:

- Integrative health sciences or nutrition
- Natural sciences
- Social sciences

Graduates will be prepared for direct-entry health and wellness careers, or go on to pursue advanced medical or graduate degrees.
