- **Statement of Commitment** – May 11, 2018
Make you fill in all the required information and boxes.

✓ Only complete applications will be processed.
## 2018-2019 Preference Forms “New Site”

### NEW SITE PREFERENCES NOTIFICATION

A. Please indicate below if you would like to be included for other future residency site offerings should any be available for the 2018-2019 program year.

- [ ] Yes, I would be interested in future residency offerings for the 2018-2019 program year.
- [ ] No, I would not be interested in future residency offerings for the 2018-2019 program year.
- [ ] Depends. Only send my application and supporting documents if the program is located in the following cities and/or states below.

B. [ ] I received a recent announcement concerning a new Bastyr-affiliate program not previously listed site on this preference sheet. Please send my application and supporting documents to:

**ACKNOWLEDGEMENT**

By marking this box, I hereby acknowledge that I have gathered all the necessary information needed to make my selection above regarding the programs offered at each site. I understand thatInterviews for positions are at the discretion of, and by invitation from, each individual site. I recognize that should I accept an offered position to any of the above selected programs, this may require that I relocate to the appointing site, and that this shall be all on my expense. Furthermore, I understand that not accepting the offer within the appropriate timelines may decrease my future chances of being accepted to any of the above selected programs.

**DISCLAIMER**

By marking this box, I hereby acknowledge that I am fully aware that all the current residency offerings is based on projected needs of each host site and dependent on availability of program funding at the proposed start date. I agree that the university shall not be held responsible for the cancellation of residency positions at any of the sites and that such cancellation shall be at the discretion of the hosting site, and that the university does not guarantee permanence of any offered position.
INSTRUCTIONS FOR WRITING A PERSONAL STATEMENT
AND ANSWERING THE ESSAY QUESTIONS

1. Instructions for Writing a Personal Statement
   Write a concise one-page (10 font; 1-inch margins; personal statement for each program to which you are applying). Title your last name, with a full and clear, one-page (10 font; 1-inch margins; personal statement for each program to which you are applying). Enclose your full name in the upper right corner of the page, then your last name, last name, and site of the program you are applying to.
   a. Your reasons for applying to that particular program
   b. Your experiences from the program
   c. Why you think your experience would make you a strong candidate
   d. Your future plans upon completion of the program
   e. For an academic-based program, to be very specific about your interest in oncology and why you have chosen to apply to this program

2. Instructions for Answering the Essay Questions for the Final Residency Program
   Please answer all three essay questions. These questions are optional as part of your residency application. For each essay question, please write a complete, concise, one-page (10 font; 1-inch margins; personal statement for each program to which you are applying). Sign your name in the upper right corner of the page. Then, enclose your last name, last name, and site of the program you are applying to.

   a. Essay Question 1: Discuss a period in your life when you faced a major obstacle or difficulty in your life. What did you learn from this experience?
   b. Essay Question 2: What advice would you give to a friend going through a similar situation?
   c. Essay Question 3: Describe a time when you successfully overcame a challenge. How did you handle the situation and what did you learn from it?

INSTRUCTIONS FOR WRITING A RESUME

Instructions for Writing your Resume
   Please write your resume in one (1) to a maximum of three (3) single-spaced pages. Use 12-point type and single-spaced with 1-inch margins. Only include your name in the upper right corner of the page. Please refer to the sample enclosed. It is important that you adhere to this format.

Definitions of Terms
   Profile: The selection committee is interested in a short paragraph that summarizes and highlights all your special interests, skills, and strengths. Limit your description to a maximum of five (5) lines.

   Education
   a. Education: Include the institution from which you received the MD degree. Include the city, state, and years attended. Provide a short description of the program (at a maximum of 5 lines). Other than those required by the courses attended, provide a short description (at a maximum of 5 lines) for each of the research projects in which you participated as a primary investigator or co-investigator or research assistant. Please list your clinical supervisors and the focus of each shift during your MD education. List all your preceptorships — preceptor name, specialty or scope of practice, and hours attended.

   b. If you are a student who transferred from one MD school to another, identify all institutions for credit toward the MD degree. Include the city, state, and years attended. Provide a short description of the program (at a maximum of 5 lines). Other than those required by the courses attended, provide a short description (at a maximum of 5 lines) for each of the research projects in which you participated as a primary investigator or co-investigator or research assistant. Please list your clinical supervisors and the focus of each shift during your MD education. List all your preceptorships — preceptor name, specialty or scope of practice, and hours attended.

   c. If you are a student who transferred from one MD school to another, identify all institutions for credit toward the MD degree. Include the city, state, and years attended. Provide a short description of the program (at a maximum of 5 lines). Other than those required by the courses attended, provide a short description (at a maximum of 5 lines) for each of the research projects in which you participated as a primary investigator or co-investigator or research assistant. Please list your clinical supervisors and the focus of each shift during your MD education. List all your preceptorships — preceptor name, specialty or scope of practice, and hours attended.

   Related Experience
   a. Related Work: Identify the institution(s) or program(s) where you were able to demonstrate your clinical or patient care, research, teaching, or leadership skills. Include the city, state, and years worked or attended. Provide in bullet format (up to a maximum of 5 lines) for each position) descriptions that will highlight your role and skills in the institution or program.

   Additional Relevant Information
   a. Additional Information: Include any relevant information that you feel is important to your application. This may include any special projects, publications, presentations, or other achievements.
