

NUNM Community COVID-19 Tests Tracker

This information does not capture potential positives where testing was not performed, or test results that were not shared with us.

	October 3, 2021-October 9, 2021	
	NUNM Students & Employees	NUNM Patients
Positive COVID-19 Tests	0	1
Pending COVID-19 Tests	1	1
Grand Total	1	2

An automatic pause in NUNM operations may result if any of the below criteria are reached:

- Five or more new, unrelated positive COVID-19 cases confirmed through diagnostic testing and identified in a single day in the NUNM student and/or employee population **who have been on campus within two days of symptom onset or positive testing; or**
- Over three weeks, a total of symptomatic cases per week is equal to or greater than 5% of the on-campus population (approximately 25 people).

If an employee experiences COVID-19 symptoms, exposure, or positive test result they are to contact Kathy Stanford (kstanford@nunm.edu) and Jessica Nagelkirk (jnagelkirk@nunm.edu) and self-isolate.

If a student experiences COVID-19 symptoms, exposure, or positive test result, please direct them to Dean of Students Rachael Allen (rallen@nunm.edu) and Jessica Nagelkirk (jnagelkirk@nunm.edu) and self-isolate.
