NUNM Community COVID-19 Tests Tracker

This information does not capture potential postives where testing was not performed, or test results that were not shared with us.

August 31, 2022-September 14, 2022

NUNM Students & Employees

Positive COVID-19 Tests	Pending COVID-19 Tests
3	**6**

An automatic pause in NUNM operations may result if any of the below criteria are reached:
- A pivot to remote instruction for all academic lecture classes and some tutorials/labs will occur if over a 7-day period, 5% of NUNM's on-campus population (30 individuals) test positive or COVID-19.

If an employee experiences COVID-19 symptoms, exposure, or positive test result they are to contact Kathy Stanford (kstanford@nunm.edu) and Jessica Nagelkirk (jnagelkirk@nunm.edu) and self-isolate.

If a student experiences COVID-19 symptoms, exposure, or positive test result, please direct them to Dean of Students Rachael Allen (rallen@nunm.edu) and Jessica Nagelkirk (jnagelkirk@nunm.edu) and self-isolate.

NUNM Community COVID-19 - Weekly Positive Tests

Data was reported in seven day intervals between 1/22 and 4/22. Beginning 5/2/22, reporting intervals were increased to fourteen days.
